School Uniforms without the Commute...

AACA School Uniform Style Guide

During the month of August before school starts, we will have a “Fitting Store” in the Art Room at AACA. Come with your child so they can be fitted for both dress and gym uniforms. You can place your uniform order on the web site either at school or just take notes and do it from home. Orders are filled and can be picked up at the Fitting Store the next business day at school (for fitting store hour please see page 4).

If you did not place a preorder for a jumper or skirt and you will need one, I recommend coming to my office for a fitting and doing this before August. We carry stock of jumpers and skirts, but if the size and style that you are interested in is sold out, the lead time is 3 months. Please email or call me to schedule fittings: kristine@chiprep.com / 312.953.2370. Please note that you must have an appointment for a fitting at my office.

We are a web-based business. The shopping link can be found at www.chiprep.com – You can shop anytime. During the school year, orders placed by Wednesday are delivered to your child’s classroom on Friday morning.

In addition, become a FAN of Chicago Prep Outfitters on Facebook for special offers and additional information.
