School Uniforms without the Commute...

AACA School Uniform Style Guide

The AACA uniform policy can be found in the Student Handbook on the AACA website under Parents/Uniforms: <http://alphonsusacademy.org/domain/115>. This is the school policy and Chicago Prep Outfitters is the uniform provider.

During the month of August before school starts, we will have a “Fitting Store” at AACA. Come with your child so they can be fitted for both dress and gym uniforms. You can place your uniform order on the web site either at school on your phone or just take notes and do it from home. In-stock orders are filled and can be picked up at the Fitting Store the next business day at school (for fitting store hours please see page 4). Backorders do occur, so please shop early.

If you did not place a preorder for a jumper or skirt and you will need one, I recommend coming to my office for a fitting and doing this before August. We carry stock of jumpers and skirts, but if the size and style that you are interested in is sold out, the lead time is 3 months. Please email or call to schedule fittings: orders@chiprep.com / 312.953.2370. Please note that you must have an appointment for a fitting at the office.

We are a web-based business. The shopping link can be found at www.chiprep.com – You can shop anytime. During the school year, orders placed by Wednesday at 5 pm are delivered to your child’s classroom on Friday morning.

In addition, become a FAN of Chicago Prep Outfitters on Facebook for special offers and additional information.
